

Nova Scotia Tender - issued February 26, 2007
TBA (1163EBID2) Standing Offer for Desktops

Contract term: March 1, 2007 – February 29, 2008

A one year, government wide standing offer for desktop computers based on one standard desktop configuration. The exact number of Desktop Units to be purchased is unknown but could be as many as 2000. The Government of Nova Scotia supports approximately 10,000 desktop/laptop systems in over 250 offices within Nova Scotia.

Three standard desktop configurations: Ultra Small Form Factor, Small Form Factor and Tower Form Factor, with 19", 20" and 24" monitors
